1998 Year End Report (11/24/98 - 12/31/98)

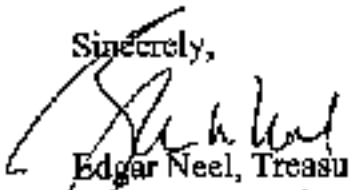

Dear Ms. deBeau:

I recently discovered the cash on hand number to have been reported incorrectly in previous reports. I have corrected the mistake on the 1998 Year End report, which will reflect actual cash on hand as of 12/31/98. Therefore, the cash on hand at the end of the post-General 1998 report will not be the same as the cash on hand at the beginning of the 1998 Year End report.

The problem started with the 3rd Quarter 1998 report, with cash on hand at the end of that period reflecting approximately \$11,000 less than we actually had on hand. Every report after that showed cash on hand to be less than we actually had on hand. This means I will need to amend the 3rd Quarter 1998 report as well the summary pages for the pre-General 1998 and the post-General 1998 reports. I will submit amendments to these reports by February 26th, 1999.

Please feel free to call me with any questions regarding this discrepancy, (303) 832-1925.

Sincerely,

Edgar Neel, Treasurer
